

# Where to go in Liberec: The Museum

(<https://plus.google.com/u/0/+MuzeumlbCz/about?pid=6241930633916505906&oid=113469671595880982655>)

# About

- The museum is located in a beautiful neo-renaissance building in the Masarykova street
- It was founded in 1873
- You can find various expositions there: an exposition of applied arts, of the Liberec area nature, of mechanical musical machines...
- Currently there are some exhibitions of modern design and photos from the Serbian/Croatian border
- The museum is an ideal place if you are interested in history
